

There's A New Business In Town!

*Meet Entrepreneur & Client of Business Cape Breton's Small Business Development Program
Cletus O'Neil of Cletus' Corner*

After many years working in the audio/visual industry, Cletus O'Neil identified an opportunity to open a convenience store in the No. 2 neighbourhood of Glace Bay next to John Bernard Croak elementary school where he has often volunteered as a basketball coach.

With the recent Neighbourhood Improvement Initiative underway, Cletus is hoping that his convenience store can be part of the improvement of the business climate in the neighbourhood. He is hoping that by carrying a wide variety of items - both traditional and non-traditional convenience store items such as Horyl's deli meat - will lead to people from the neighbourhood shopping closer to home.
