Arielle Lewis of Game On Laser Tag*

Game On is a laser tag facility located in Sydney, Nova Scotia. Game On offers the game of laser tag with state of the art equipment for both kids and adults. Laser tag is a game played in a darkened arena where players fire their lasers to take down opponents. Players hide and weave their way through the course to avoid being tagged while completing missions.

Game On gives players the choice between family style or tactical game play. The taggers are small in size and lightweight making them easy for kids to use but with the option to add on stocks and barrels it will give a more realistic feel for older players. The large 2600 sq. ft. arena will easily accommodate 16 players at a time and with the option to walk-in or book ahead players have ultimate flexibility.

Games will last approximately 20 minutes; this will allow players a quick play option as well as reduce wait times. Game On is available for birthday parties, team building and corporate events.

CONGRATULATIONS ARIELLE!
