Over the years, he expanded to 5 full time-seasonal employees, 5 trucks, a backhoe, 3 payloaders, a garbage truck and a warehouse.

Delio's offers a wide range of property care services, such as: lawn maintenance, garbage removal, and snow clearing.

Paul received business counselling assistance from the CBSBDC and has now expanded from a home office to a newly built office located at 683 Victoria Road, Whitney Pier and has hired an administrative assistant.
