

There's A New Business In Town!

*Meet Entrepreneur & Client of Business Cape Breton's Small
Business Development Program
Jordan Pearson of Pearson Home Design*

Pearson Home Design is a newly formed company located in Cape Breton, specializing in home design and construction. The company will provide clients with complete home design packages, including design, drawings, and construction for new construction projects as well as additions and renovations.

The company is owned and operated by Jordan Pearson. Mr. Pearson is a recent graduate of the Architectural Technology Program from Holland College in Charlottetown, PEI. He has obtained the skills and competency for home design as a result of this training, and his research has shown a very real need for a home design and construction company in Industrial Cape Breton. The company has a highly qualified construction staff as well, including a Structural Engineer, Electrician, Interior Decorator, and Red Seal certified Carpenters creating a one-stop shop for anything home construction.

Pearson Home Design will work diligently with their clients to assess their requirements, and provide a free consultation and a quote for the services provided.

Jordan received assistance from the Small Business Development Program of Business Cape Breton for the start up of Pearson Home Design.

CONGRATULATIONS JORDAN!
