

## There's A New Business In Town!

*Meet Entrepreneur & Client of Business Cape Breton's Small Business Development Program  
Dirk Jacobsen of TreeJac Forestry Ltd.*

TreeJac Forestry, Ltd. (TJF) is a new start-up business by Dirk Jacobsen of West Bay which specializes in silviculture harvesting. Silviculture involves the process of controlling the establishment, growth, composition, health, and quality of forests to meet diverse needs, while at the same time ensuring projected productivity levels are maximized.

Dirk has secured a contract to provide pulp to a large manufacturer. Dirk currently has 3 employees but in early 2015 he will expand to 6 by adding a night shift.

TJF will operate work sites throughout Cape Breton Island using new and updated machinery from Sweden/Finland.

TJF will practice responsible harvesting procedures that promote sustainable forest management, while at the same time providing a much needed service to the local economy.

Dirk received assistance from the Small Business Development Program of Business Cape Breton for the start up of TreeJac Forestry Ltd.
